PINNEY YOUNGS' PATENT SAWING MACHINES.
PATENTED JANUARY 30, 1855.
THE CELEBRATED SIDING MACHINES are the only Machines that do or can cut both ways, and thus avoid loss of time in going back. They cut with ease, when properly attended, fifteen Hundred Feet per Hour. They are not more complicated, nor more likely to get out of repair, than any other Siding Machine. A Machine on this plan for sawing wide lumber in connection with an upright saw for slabbing the logs, will excel anything in existence. We have sold a large number of the Siding Machines, all of which have given the most perfect satisfaction. They are
MANUFACTURED ON THE WATER POWER, IN THE CITY OF MILWAUKEE,
Under the supervision of the inventor, where Machines may be obtained, on application to
PINNEY YOUNGS & CO.
We subjoin the following Testimonials of the estimation they are held in by purchasers:
MANISTEE, MICHIGAN, October 1st, 1855.
PINNEY YOUNGS & CO.:
Gentlemen:—In answer to your inquiry as to how I am pleased with the Siding Machine of Pinney Youngs' Patent you sold me, I can truly say it is better than recommended. It far exceeds my expectations. To give you an idea of what can be done with it, I will give you an account of a few hours sawing: It cut in four hours and twenty minutes, Eight Thousand Nine Hundred and Sixty Feet of Lumber, superficial measure, and that in the most perfect manner.
Yours truly,
(Signed) SAMUEL POTTER.
MILWAUKEE, March 26th, 1856.
We have one of "Pinney Youngs' Patent Sawing Machines" in operation, and would say that it is all that it is represented to be, and gives perfect satisfaction.

DAILY SENTINEL.

MANUFACTURE OF LETTER ENVELOPES.—It is estimated that the number of envelopes made in the city of New York alone in one week is at least 4,000,000.

The process of manufacture may be briefly described. A ream of paper, or about 500 sheets, is placed under a knife of shape corresponding with an envelope when entirely opened, which is forced down by a powerful screw-press, worked by a hand lever. The pieces cut out, slightly adhering at the edges, from the action of the knife, resemble a solid block of wood until broken apart. The flap is afterwards stamped, by a similar process, a boy being able to prepare 50,000 per day in this manner, taking one, two, or three envelopes at each movement of the hand. They are then taken by 100 girls seated at long tables, by whom they are folded and gummed. A single girl will apply the gum to 60,000 or 70,000 in a day, and from 5,000 to 7,000 may be folded in the same time.

In these processes, the girls acquire great dexterity and skill, being stimulated by the wages offered, which vary from 12 to 30 cents for each 1,000. The envelopes are next counted, banded and packed. Some varieties are embossed or otherwise decorated, requiring additional labor. The establishment of which we are now speaking consumes not far from 12 tons of paper per month in the single article of envelopes. This quantity of paper at 10 cents per pound, would cost 2,500 dollars. The machines employed to make envelopes are very curiously constructed. Each piece of paper, upon being cut into the proper shape, is placed on a kind of artificial hand which conveys it over an aperture of the size of an ordinary letter, when a plunger drives it through, gumming and folding it in the process. It then falls into a box, which, by revolving at intervals, is gradually filled up with packages of 25, ready for use. These machines average 20,000 envelopes per day, and are capable of turning out 17 per minute.

☞ The following letter, dated one hundred and two years ago, which we clip from the Home *Journal*, confirms the fact that ARNOLD'S mother was a pure-minded, christian woman. It is sad that so much good advice should have been lost on an undutiful son:

"Not far from my present residence yet stands the house where Benedict Arnold once lived, and in which he kept a drug store, the sign for which is still in the garret. Some fair day I shall endeavor to visit the premises, and give you a description. Meanwhile, I send you this literal copy of a letter from Arnold's mother to her son, which I received from a kind respectable lady of this city. It overflows with motherly purity and affection for her recreant child. It is dated

NORWICH, (Conn.) April 12, 1754.

"DEAR CHILD:—I received yours of the 7th instant, and was glad to hear you was well; pray my dear, let your first concern be to make your peace with God, as it is, of all concerns, of ye greatest importance; keep a steady watch over your thoughts, words, and actions; be dutiful to superiors, obliging to equals, and affibel to inferiors—if any such there be; always chuse that your companions be of your betters, that by their good examples you may learn. From your affectionate mother HANNAH ARNOLD.

"P. S.—I have sent you fifty shillings—youse it prudently as you are accountabail to God and your father. Your father and aunt joyns with me in love and servis to Mr. Cogswell and lady, and yourself. Your sister is from home.

"Addressed to Mr. Benedict Arnold, att Canterbury."

SOME HOPE YET.—The Lowell Citizen says an attempt at badgering a witness was cut short in the Supreme Court on Saturday morning very pleasantly. The witness, a female, was asked how long she had lived with her husband, from whom, it appears, she has been separated. "That is my business, not your's sir," was the curt reply. The counsel on both sides took fire—the one against the witness, the other in her behalf. A brief passage-at-arms ensued when the Court was appealed to, that it would compel the witness to answer. Judge Metcalf's reply was very brief, very quiet, and every pertinent: "The woman's right, it's none of your business." No further attempt was made to pry into the domestic affairs of the witness.

A recent number of the Kilkenny *Sentinel* (Irish) furnishes the following specimen of a "bull, horns and all." In its 'news by the America,' it says national presidential conventions were held at Princeburg, Philadelphia. Only two names, George Saw and Milliard Philsmare, have been as yet unannounced.

NEWS OF THE MORNING.

The *Africa*, with Liverpool dates to the 17th instant, arrived off Sandy Hook last evening, and the readers of the *Sentinel* this morning have her news served up to them as fresh as it is furnished by the New York Dailies to day—Breadstuffs are unchanged, money easy, the weather better, and the general news unimportant

We have further sickening details this morning of outrage and rapine in Kansas The accounts it will be seen, are taken from the St Louis *Democrat*, and cannot be charged to "Abolition sources" Red handed Murder stalks unchecked about the Territory, and the troops of the Federal Government stand idle by!

President PIERCE, after many delays and much filling and backing has at length *dismissed* the British Minister, Mr Crampton, and four British Consuls, who were implicated in the enlistment of men for the Crimea, in violation of our Neutrality Laws There is, in this act, no necessary cause of quarrel between ourselves and England, but it is by no means certain that a quarrel will not grow out of it

GOV. REEDER, of Kansas, escaping from the Bloodhounds of Slavery, arrived at Chicago, yesterday, on his way to Washington, and addressed an immense assemblage last night on the wrongs of Kansas It is a theme which might move even stones to speak

The excitement throughout the Northern States, at the brutal assault upon Senator SUMNER, abates not one jot Meetings are held everywhere, denouncing this last and worst act of Congressional Ruffianism, and calling upon the House of Representatives to expel Brooks

Mr SUMNER, it will be seen from our telegraphic report, lies dangerously ill from the effects of his wounds

The trial of *Johann Ferner* for the murder of H C ADAMS in this city, last October, which has occupied the Circuit Court for two days past, resulted yesterday in a verdict of *Murder in the First Degree* At the first trial, the Jury disagreed

The attention of our readers is called to various items of interest in our local and advertising columns.

Pro-Slavery Insolence in the Senate.

The brutal assault of Mr Brooks upon Senator Sumner is but the climax of a long series of impudent and insolent conduct on the part of the more ultra Pro Slavery men and their Northern doughface allies, towards the men of brilliant talents who have come into the arena of debate from Northern States within the past two years To every such outrage, the Free States have responded, when the opportunity came, by sending to the U S Senate men who, like Sumner, are able to meet and vanquish the Slavery extensionists with arguments No one, who has not carefully read the full reports from Washington, can appreciate the shameless petty annoyances and the premeditated insults which have been heaped upon every Free State Senator who has spoken on the side of Liberty and Justice Constant interruptions—coarse shouts of derision—loud talking, &c, during the speeches of Senators scarcely ever rebuked by a doughface Vice President, and rather encouraged by Atchison, who lately presided in the Senate but left his seat to lead the Kansas murderers, and whenever the members of the majority rose to speak, their language and spirit overflowing with abuse of their opponents and their constituents with taunts and hard names, down to the utter blackguardism of Douglas

These things are notorious The telegraph and the mails have brought them daily for years And, if, under such abuse, a Northern Senator sits quietly, unmoved by the assaults upon his honor and that of the State which he represents, he is taunted with being a "craven," and with "skulking like a whipped spaniel, &c" On the other hand, did an anti Slavery Senator arise and fling back the shafts of scorn, insolence, and abuse which were heaped upon him, there came up from the whole pro Slavery press, North and South of Mason and Dixon's line, one howl at the "want of dignity," "lack of Senatorial courtesy," "neglect of parliamentary rules," &c on the part of the offender, it being a discovery of the modern days that nothing unparliamentary, or improper, or discourteous, can come from South Carolina, Virginia, or indeed from pro Slavery mouths, North or South. Let us illustrate The Washington correspondent of the N Y *Times* says —

> During the progress of his speech, both yesterday and to day, Mr Sumner and his audience were subjected to the nameless insults at the hands of the Douglases, the Masons and other champions of the Slaveocracy which these gentlemen (?) deem admissable when an opponent takes the floor These patterns of chivalry, and gentility, and courtesy would assemble in groups about the Senate Chamber, and talk, and laugh, and create a confusion most annoying to speaker and listener. There can be no doubt that this conduct is designed, for it is a part of the system of arrogant insolence, "the plantation manners," by which these pinks of Parliamentary courtesy, and of chivalric gentility regularly seek to destroy the effect of an opponent's speech, by which they seek to embarrass and break him down On more than one occasion Mr Sumner, finding the presiding officer quite oblivious of his duty of preserving order, called upon the Sergeant at Arms to restore the quiet which belonged to the Senate Chamber It is quite impossible to convey to you an adequate idea of the extent to which this and other studied modes of insolence and overbearing arrogance are carried by the opposition

This bullying, swaggering misrepresentative of the freemen of Illinois Douglas, is in a great measure responsible for the state of things in the Senate Admirably fitted, by nature and tastes, for a presiding genius at Tammany Hall or at any other place where good or bad whiskey inspires political demagogues, those who remember him almost "stripped to the buff" at Market Hall, in this city, will understand how much out of place he is in a hall of deliberation which the presence of such men as Clay, Webster, and Calhoun has made sacred, and it is one of the misfortunes incident to men of real greatness, scholarly acquirements, and courteous bearing, that, if they are called upon to serve their constituents in the Senate, they must come in contact with such beings as Douglas, upon whom all courtesy is lost, who will not remain quiet, whose constant abuse provokes to a reply, and upon whom no reply save a thorough lashing has any effect whatever

Mr Sumner, whose great speech was listened to by such crowds as have rarely been gathered in the Senate galleries, gave to his assailants of various kinds a most severe excoriation and, vanquished in debate, they were silent, till a gallant (?) South Carolinian, taking up the quarrel, comes into the hall, and taking Mr Sumner by surprise, fells him to the floor by a blow over the head, and beats him, lying senseless, till covered with blood—and then these courteous, chivalric, honorable, high minded opponents of the Massachusetts Senator applaud the villainous assailant, and South Carolina prepares him a piece of plate!

How long are such things to be endured? Just until the Free States with their vast preponderance of men, establish their majority in the Senate, by killing off politically the doughfaces

FATAL R R ACCIDENT —The Chicago *Journal* of Tuesday last, says that the Monday evening train of cars from Milwaukee, on the Lake Shore Rail Road, when approaching Chicago, ran over the body of a young woman, who was lying on the track, completely severing the head from the body Every effort was made to stop the train in time to avoid the catastrophe, but in vain The young lady was well dressed, and a sum of money $11,00, was found in the pockets of her dress It is in vain to conjecture the cause which has led to such a deplorable result There were no papers about her person, and nothing by which her name could be known She seemed to be about 16 or 18 years of age Only the first wheel of the locomotive passed over her body

AMERICAN BIBLE SOCIETY —A meeting of the Managers of the American Bible Society was held in New York, on Thursday, the object being to consider the expediency of entering upon a second exploration of the United States, for the purpose of placing a copy of the Sacred Scriptures as early as practicable in every destitute household, where there is a willingness to receive it Speeches were made by various gentlemen in favor of the undertaking Dr Tyng stated that during the past three years the Managers had so systematized the means at their command that they were now able to supply one Bible for every seven second throughout the working day, or 1,500,000 copies a year There are 150,000 in sheets ready for the binders, and 100 000 ready bound To distribute that book he invoked the aid of the Christian Church throughout the land

AN INGENIOUS INVENTION —Aaron Roberts, a colored man in Philadelphia, has invented a very ingenious and useful apparatus for the use of firemen We find it thus described

It is constructed on the principle of a telescope, occupying a very small space when closed, but capable of being extended to a height of some sixty feet by means of concealed cogs—Above this is a branch pipe, made flexible and worked in any direction, by chains reaching the ground The machine can be run into a narrow alley, and by attaching a hose to a fire plug, the water will be forced to the top, and thence directed at the pleasure of the operator Safety is thus afforded to the firemen, and instant application may be made to any part of a burning building

DECIMAL CURRENCY IN THE FLOUR MARKET —Deeming it desirable that prices of flour should be named in dollars and decimals, instead of the present practice of dollars, shillings and pence, and in order to obtain concert of action to bring about the change from one system to the other the undersigned dealers in flour do hereby agree that on and after the 1st day of June next, in naming prices we will substitute the dime and half dime, or its equivalent, for the shillings and pence now in use

NEW YORK, May 16, 1856

The above card is published in the New York papers of Saturday last, and is signed by fifty prominent Produce Firms, including Robt F Sage, Theodore Perry, Surdam, Reed & Co Isaac H Reed, &c The change is a sensible one

PROSPECT FOR UTAH —The Providence *Journal* remarks that the fact that Slavery exists in Utah will tend to remove the difficulties to the admission of that State on account of polygamy Polygamy alone would be a serious objection, but softened and sanctified by Slavery, it will come with irresistible claims upon the Democracy It will in fact, be at once elevated to the dignity and importance of a national issue, and every man who opposes it, will be a sectional disturber of the peace

WAUWATOSA ASSEMBLY DISTRICT —The Republicans of the Wauwatosa Assembly District met in convention, on Saturday last, to select two Delegates to the State Convention, which is to be held at Madison on the 4th proximo T M RIDDLE was called to the Chair, and A L DARROW appointed Secretary On motion, A B MOWER and F G FOWLER were chosen Delegates from Wauwatosa, with power to appoint substitutes

JEFFERSON COUNTY —The Republicans of the Fort Atkinson District, Jefferson County, at the Meeting on the 24th inst made choice of T W BROWN and J C CONVERSE to represent them at the Republican State Convention—both good men and true

The Republicans of Watertown have elected H W BLANCHARD and D McBRIDE to represent them in the State Convention

Correspondence of the Sentinel

Delegates to the State Convention.

JOHNSTOWN, May 26

Messrs Editors

At the Convention of Republicans yesterday in the Johnstown District, A M CARTER and ADELMON SHERMAN were elected to represent this District at the State Convention on the 4th

Yours, &c, C

THE "LAW AND ORDER" CHAMPION —JONES, the bogus Sheriff, over whose rumored death from a pistol shot, fired by unknown hands, the whole Hunker press of the North has shed such bitter tears turned up alive and well, at the sacking of Lawrence and headed the band of bravos who committed that atrocious outrage—Fit business for a Peace officer!

REMEASUREMENT OF THE ERIE CANAL —By the change of route in some places in the course of enlarging the Erie Canal, the length has been lessened by several miles, and tolls are now collected on a greater number of miles than the boats run A remeasurement is called for

GOT HIM FAST.—His excellency, Bogus Robinson, is now safely lodged at Ft Leavenworth, from whence he should only be taken to be hung —*Squatter Sovereign, May 13*

This is from the favorite organ of the "Border Ruffians," and no doubt speaks the sentiments, as it illustrates the character of that gang of miscreants The hanging of Gov ROBINSON, or any other Free State man, by these cut throats, will call down swift and bloody retribution upon their heads

St. Croix and Lake Superior Railroad.

We learn from a late report of Mr Roger Patton, Chief Engineer of this road, that the surveys have been completed, and the line located, from the town of Superior to Hudson on Lake St. Croix. The distance is 131 miles For convenience in making estimates, the line has been divided into two divisions—the northern and southern The northern division commences at Superior, and extends to a point south of the crossing of the St Croix River, a distance of fifty miles, the southern division then commences and extends south to Lake St. Croix

The cost of making the line of the northern division ready for the superstructure is estimated at $520,870 65 The maximum grade on the northern division is fifty feet to the mile The southern division will cost to make it ready for the iron, $476 876, 00 The maximum grade on the southern division is fifty feet to the mile — The total cost of putting the road in running order the whole distance is estimated at $2,000 000

The subscriptions to the stock of the Company, (of which five per cent has been paid in,) amount to $145,000, and the right of way and depot grounds donated by individuals and government, is valued at $200,000 The expenses during the past year have amounted to $1 641 91

The proprietors of the town of Superior have donated to the Company forty three acres of land, between Nemadji River and Allouez Bay, with two thousand feet of water front, for depot grounds and other uses of the road But a moderate outlay in grading and docking upon this water front will be necessary The depth of water is from fifteen to thirty feet and a steamer of the largest class could land without difficulty anywhere along this front The Superior Company also donated a right of way over its lands a distance of about three miles.

The road will run for eighty miles through valuable pine lands, the timber from which will form a large item of its freighting business —*Chicago Dem Press*

Congressional Ruffianism.

Whatever hopes may have been entertained that the brutal outrage on Senator Sumner would be properly treated by Congress, will be dissipated by the reports of the proceedings in both Houses yesterday in relation to that shocking occurrence The South, by its votes, emphatically pronounces its approval of the cowardly ruffianism of Brooks If there had been a glimmering of chivalric feeling in the breasts of the Administration Senators they would have promptly moved for an investigation of the matter The instinct of self respect should have led them to do so, but they were dumb, and it was left to the personal and political friends of Mr Sumner to move for a Committee of Investigation The Committee was chosen, but not one of the outraged Senator's friends was placed upon it In the House the same disposition was exhibited, Mr Campbell of Ohio, moving the resolution, which was carried by a vote of ninety three to sixty eight Among these voting for the resolution there are but two votes from the South—Marshall, of Ky, and Hoffman of Md,—and not an Administration member while among those voting against it are sixty two from the Slave States and six from the Free States—one of the half dozen being Herbert, of California!

The conduct of the Washington papers in reference to this outrage is most remarkable The *Intelligencer* has a brief notice of it as a "personal conflict between two members of Congress, while the *Union* does not even make an allusion to it, a reticence which is more striking than a column of comments The press at the North, with but few exceptions, gives vent to a wholesome indignation on the subject, and, let Congress decide as it may, the popular voice of the Free States will pronounce in thunder tones the condemnation of the brutal outrage —*N Y Times of Saturday*

DEATH OF JOHN B JAMES —The telegraph from Chicago last evening announced the death of John B James

Mr James left this city for St Louis about a fortnight since and on his arrival at Chicago on Friday last, he was attacked by the sudden illness which has terminated his life

Seldom has more melancholy tidings sped along the wires than those of the death of our friend In the prime and vigor of his manhood—in the full strength of his intellect—gifted with rare graces of mind and body—generous, frank, largely endowed by nature—highly refined by education, reading and travel—full of earnest and quick sympathies and feelings which brought him in ready contact with his fellow men, and made him prompt to uphold the right and condemn the wrong "Open as day to melting charity" He is gone, but the remembrance of his noble qualities and manly beauty, will survive in the stricken hearts of those who knew and loved him —*Albany Journal, Friday*

The *Argus* adds —

He was the son of the late William James, a wealthy and enterprising citizen of Albany and his brothers, Rev Wm James and Edward and Howard James, of New York, survive him His sisters, Mrs Barker, Mrs Temple, Mrs Smith Van Buren, preceded him to the grave

PARTY NAMES —Names sometimes amount to nothing at all Under different circumstances they may be very significant, and exert no little influence We observe that many of our contemporaries, particularly those which were formerly Whig, speak uniformly of the Douglas party of this State, as the "Democratic party" —Now, we utterly deny that there is a Democratic party in Illinois There is an organization for the purpose of Slavery extension who attempt to appropriate the name, while they repudiate all the principles of the Democracy, as enunciated and established by Jefferson and Jackson

They "steal the livery of heaven to serve the devil in," and most diligent servants they make, too

There are but two parties in this State, for the objects and purposes of the coming election —the Slavery Extension, or Douglas party, whose cardinal principle, and whose main effort is to establish slavery in Free Territory—and an Anti Slavery Extension, or Freedom party Let us then hear no more of the "Democratic party in connection with the Slavery Propagandists It is a libel on the time honored party which boasts of a Jefferson, a Jackson, and host of others as its champions Let us call things by their right names, for there are, after all, many who are influenced by mere names —*Chicago Democrat*

BUSINESS AT NEENAH —The *Conservator* sums up the business at Neenah as follows

"Although we have but barely begun to have an existence or a name as a place, yet there are already erected and in operation on the water power, on the south channel, at Neenah, the following different establishments

1 Flouring mills of two and three run of stone each
1 double and 1 single saw mill, with lath mills, &c, attached
1 large Cabinet and Chair manufactory,
1 Foundery and Machine shop,
1 Planing Mill and Sash Factory,
1 Stave dressing machine

And on the north channel, at Menasha the following

1 Flouring mill of four run, and one of two run of stone
1 double, and 4 single saw mills with lath and shingle mills attached
1 large pail and tub manufactory
2 Cabinet and Chair manufactories, [one very extensive]
Sash, blind and door factories,
1 Foundery,
1 Brewery,
1 machine shop, and spoke and hub manufactory,

Which, with others in progress on both sides, will afford constant employment for over 1000 persons"

How they do "Protect" Foreigners.

The recent murder of a poor Irish waiter in one of the Washington Hotels, by a member of Congress named Herbert, afforded a truthful display of Democratic protection to the poor and lowly A motion was made for the appointment of a Committee to investigate the circumstances of the murder, and 69 Republicans and ☞ 1 Democrat ☜ voted FOR IT, while 79 Democrats and Know Nothings voted AGAINST *Daniel Wells* was one of the 79 —*Racine Advocate*

Even so! and yet, but for the vote of Irish men, Mr WELLS would never have had the honor of a seat in the American Congress However, he is not the first man who has kicked down the ladder by which he climbed to power or distinction

FOX RIVER IMPROVEMENT —The Oshkosh *Courier* of the 27th inst contains the following gratifying announcement

The steamer *Knapp* came up from Appleton yesterday, via the Neenah channel and lock—She brought a heavy load of freight, part of the cargo of the Sultana which arrived last week at Green Bay, from Buffalo It is now stated that the work on the Improvement below Appleton is so far advanced that boats will pass through the entire distance from Green Bay to Lake Winnebago in less than ten days

Indignation Meeting in Worcester,

WORCESTER, May 25

The popular demonstration at City Hall, last evening, condemnatory of the assault on Mr Sumner, was largely attended. Hon J S C Knowlton presided Speeches were made by Hon. Charles Allen, Dr R Cutler, Dwight Foster, Z K Pangborn and others, and resolutions denouncing the outrage and commending Mr Sumner's course in Congress were unanimously passed

FROM KANSAS.

LEAVENWORTH KANSAS, May 21, 1856

To the Editor of the Missouri Democrat

The borderers appear to be going mad. The respectability of the border of course, repudiates the outrages but it has not yet organized to crush out and conquer the fell spirit which commits them Let these gentlemen of the border act speedily, if they feel an interest in the material prosperity of, or pride in the good name of Missouri Commerce is timid—Iowa can be crossed Remember that!

ABOUT SHANNON'S PASS.

Mr Jesse Newill, recently from Ohio, had occasion to go near Lecompton a few days ago He was arrested several times, but finally entered Lecompton He saw Mr Shannon, rode up to him, and asked "what all this meant

Mr Shannon said there was no use complaining—*that the Territory was under martial law, and a civil war inevitable.*

Mr Shannon tried to get away, but Mr Newill, who was an old neighbor, wouldn't let him off

On parting Governor Shannon gave Mr Newill, the subjected characteristic—i e prolix—pass

> "EXECUTIVE OFFICE, May 17, '56, Lecompton, K T.
>
> "The bearer of this is Jesse Newill, an acquaintance of mine from Ohio who is now in this Territory with the view of looking out for a situation to locate a saw mill He desires to examine the country and select a place well provided with timber He is accompanied by his son Jno Newill Joseph Fitzsimmons, his brother in law, and a Dr Gamble
>
> "They are no way identified with the present troubles in the Territory
>
> "Now, therefore, I have to request all persons to permit the said Jesse Newill and his comrades to pass and repass throughout the Territory without molestation WILSON SHANNON, Gov of Kansas"

SHANNON FOR DESTROYING LAWRENCE

Mr Eldridge, lessee of the Free State Hotel, went up to Lecompton on Saturday and tried to induce him to put a stop to the outrages to which the people of Lawrence are daily subjected Mr Shannon said "he would see about it," and promised before Mr Eldridge left, to call on the United States soldiers

Mr Eldridge, on behalf of the "Safety Valve, offered to deliver all arms up to the United States soldiers, if Mr Shannon would station a company of them in Lawrence to protect it from the mob

Mr Shannon refused to give an immediate answer to this offer On the morning following he said to Mr Eldridge that he believed a civil war was inevitable, that the only terms that the South Carolinians would consent to were—the surrender of all arms in Lawrence and the destruction of the printing offices and other objectionable buildings!

In justice to the Safety Valve, it is proper to add that these terms offered by Mr Eldridge, had been put by Mr Shannon in a conference with a previous deputation When that deputation returned and presented the Governor's terms, the Committee held a meeting, discussed and accepted them Shannon now declined to ratify the terms No! The squatters must be "crushed and conquered and "subdued," and the tools of the Pierce Administration must find a pretext to begin the subjection

MURDERS THICKENING

Mr Stuart, a young man, the only son of an eminent lawyer in New York, was murdered on the highway by a band of the law and order posse yesterday forenoon, when riding towards Lawrence He was one of the officers of the Topeka House of Representatives

Another northern squatter, named Jones, formerly from Illinois, was shot dead near Blanton's bridge, by a party of marauders from the camp near Franklin

A Delaware Indian was shot, and supposed to be mortally wounded near Sarcoxie's, by another law and order detail, rumor has it that they were part of the Platte company who started from Delaware on Sunday

Another squatter, who lives a few miles up the Kaw from Lawrence, was shot on his claim on Monday night

All these cases are well authenticated, but I have not yet received the details of each outrage I will send you affidavits as soon as I meet eye witnesses of these "constitutional murders

A FEW FACTS

Fourteen men have been shot at within the last nine days—irrespective of the two murdered and two fatally wounded men already mentioned—in the vicinity of Lawrence, by parties of Governor Shannon's "legally organized posse" A list of their names is preserved, and will be produced at the proper time

Horses, revolvers, rifles, shot guns, knives and oxen have been taken every day from squatters, met and overpowered on the highway The chivalry of South Carolina here have a talent that way

Yesterday, Monday morning, a party came upon a man plowing in a field two miles north west of Lawrence, took three oxen from him, drove them off to their camp, and killed them for the use of "legally organized" militia

Several citizens of Lawrence have gone to Lecompton recently, and remonstrated with Marshall Et Cetera Donalson, about the outrages committed on the personal property of peaceful squatters by his "legally organized" posse He replied that he could not restrain them, and did not wish to be responsible for their conduct That is law and order both

The party which went from Delaware last Sunday, had two pieces of artillery It is reported that there is another piece at Lecompton, and a brass howitzer at Franklin

FIRE OF THE FIRST!—The Republicans of Mineral Point met on the 13th instant, to elect Delegates to the State Convention and adopted, amongst others, the following significant resolutions

Resolved That the Republicans of Mineral Point of Iowa County and Wisconsin, are and have been *unalterably opposed* to the principles and practices of all secret political parties and organizations particularly the Know Nothings, or so called American party and that medley of Northern doughfaces and slave drivers self styled 'the Democracy'

Resolved, That the Republicans of Mineral Point here assembled *brand as false and slander us* the attempts lately made by certain office holders and seekers of the self styled Democracy of Wisconsin, and particularly of this place to fasten the charges of Know Nothingism and proscriptiveness upon the Republicans, and we point our adopted citizens with pride and confidence to our antecedents in this respect, both as a party and individual citizens

AMASA COBB, recently appointed Adjutant General of the State by Gov BASHFORD, is one of the Delegates chosen upon this platform It has the true Republican *ring*

A REFUGE FOR FREEDOM.—If the Tribunes of the people are to be slaughtered on the floor of Congress by the Oligarchs of the South—if the blood of Free Senators of Free States is made to flow in the Capitol in violent sacrifice to the demon of Slavery—if citizens of Free Labor States are without safe-guards to life and limb in the highways and dwellings of the Federal city, girt round with bondmen and the laws and sentiment of Slave Labor Society—the Territory consecrated to Freedom by the Jefferson Ordinance can furnish numerous sites for a National Metropolis, where Republican administration of Government can be carried on in quiet and dignity, unawed by threats and uninterrupted by violence —*Albany Evening Journal*

PARDON OF JOHN FROST —The friends of Mr John Frost, the Chartist have received the following note, in reply to the memorial forwarded from this city to the Queen, praying Her Majesty to grant the unconditional pardon of the exile

Fever and Ague—an Infallible Cure.

WE DEFY THE WORLD to produce any medicine which does not contain Quinine, Arsenic Mercury or any noxious or deadly compound to cure this annoying disease so effectually as Carter's Spanish Mixture While it contains none of the above named dangerous articles, yet it possesses a power in relieving and curing Fever and Ague which cannot be approached by any of them separately or in combination It acts specifically on the Liver, purifies the Blood opens the pores of the Skin and assists nature to expel from the system the seeds of disease, or what is as bad, the remains of the Mineral Drugs, which clog and finally destroy the constitution

See the cure of Mr Longden of Virginia He had chills twice a day for 3 years, nothing would relieve him until he tried Carter's Spanish Mixture, only 3 bottles of which effectually restored him to health, nor has he had a return of the disease since may20d1m

DAILY SENTINEL.

Thursday Morning, May 29.

CITY MATTERS.

POLICE COURT, MAY 28.

BEFORE CLINTON WALWORTH, POLICE JUSTICE.

T. O'Brien, (not the ex-Marshal) drunk, $1; Edward Arkwright, William Camp and David Sage, disorderly, each fined $3.

JUVENILE THIEVES.—Four small boys, about 10 years of age, named Warren Ransom, Edward O'Brien, James McKibby and Michael Carpenter were arrested on Tuesday afternoon by Policemen Smith, Benzler and Wright, for stealing a chain, the property of James Ludington. The owner declined to prosecute the boys on account of their youth, and the Justice taking into consideration their age, and having been shut up in the Watch House through one night, discharged them with a reprimand.

Upwards of 40 boys have been caught stealing during the present year; some never prosecuted nor even arrested, some dismissed with a caution to leave their ways or they would be punished. A House of Refuge would be the proper place for such boys. Much as we have always and do yet urge the full enforcement of the laws, we cannot but admire the motive that induced the owner of the stolen property above to refuse to prosecute. To have incarcerated these little boys in the vermin filled jail in the heat of the summer months would have been inhuman.

U. B. Smith, leaving his team unhitched, fined $2.

Circuit Court, May 28th.

JUDGE HUBBELL PRESIDING.

TRIAL OF JOHN FEINER FOR THE MURDER OF HERMAN C. ADAMS, OCT. 1855.—The case, after occupying three days was given to the jury yesterday afternoon at a few minutes past five, who immediately retired in the charge of an officer.

As this is the second trial, and also as there is a rumor out doors that the jury would not agree, we shall withhold any comments until either a verdict is rendered or the accused discharged.

FEINER FOUND GUILTY!

7½ O'CLOCK P. M.

The Jury, after being out two hours, returned into Court with a verdict of *murder in the First Degree.*

The Foreman of the Jury, Mr. Jared Thompson, informs us that during the trial of Feiner none of the jury read a paper published in the city; that is was an express understanding among them that they would abstain from the perusal of anything calculated to prejudice their minds.

IMPORTANT MOVEMENT.—The following joint resolution has passed Congress, and been approved by the President. Doubtless instructions have been, or soon will be, forwarded to the Collectors at the various ports, for masters of vessels, which will secure greater accuracy than heretofore in the reports. As it is now, everything is in confusion:

JOINT RESOLUTION for the statistics of the coastwise commerce to be included hereafter in the annual report of the Secretary of the Treasury on commerce and navigation.

Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That the Secretary of the Treasury in the annual report on commerce and navigation hereafter to be made to Congress, cause to be stated the kinds, quantities, and value of the merchandize entered and cleared coastwise into and from the collection districts of the United States, and the said Secretary of the Treasury is hereby authorized to make all rules and orders necessary to carry into effect the objects of this resolution.

Approved May 14, 1856.

POWERFUL ENGINE—EMPIRE MILLS.—The new proprietors of the Empire Mills in this city have just received an engine of 100 horse power from Buffalo, to replace the one which went down in the Propeller *Forest City* last fall. They mean to be prepared for work whether the Canal gives them water enough or not. The Empire Mill is one of the best in the western country, with 5 run of stone, capable of working up 5 or 600 bbls flour per day. Besides the mill proper, there is a large and substantial warehouse attached in which to store flour and grain, to be shipped directly into vessels in the rear. In the warehouse there are now some 8000 bbls flour.

STREET COMMISSIONERS AND CITY ORDERS.—*First Ward*—Henry, Hunter, Kenzie and Johnston sts.,—names dropped, and to be continuations of Van Buren, Cass, Marshall and Astor streets. Elizabeth street changed to Franklin, and street between blocks 187 and 198, Rogers' Addition, to be called Doty street.

Grades of streets running north and south established from Pleasant and Knapp streets north, as per ordinance.

Sixth Ward—Grade of Walnut street changed.

Fourth Ward—The alleys running east and west, and also the alleys running north and south through blocks 54, 55, 56, 60, 61, 62, 63, 68, 70, 71, 74, 75, 76, 77, 87, 84, 85, 86, to be graded and gravelled 1 foot deep in 21 days.

RACES TO COME.—We hear that the June Meeting over the Cold Spring course, near this city, promises unusual sport. The meeting commences on the 16th instant, and will continue six days. A number of very fast horses are expected and liberal purses will be offered. The course is in good order and under excellent management.

GREAT CRICKET MATCH.—A Great Cricket Match, between the Lisbon, Sussex and Milwaukee Clubs, is to come off to-day at J. W. Geis's "Cricketer's Arms," on the Lisbon Plank Road. There will be a foot race also, and other sports; and a very lively day is anticipated.—The place of meeting is only 8 miles from town; a short drive over a good road.

COLLINGWOOD LINE COMPLETE.—The fine steamer *Buckeye State* passed up yesterday, under command of Capt. Chamberlin, to take her place in the Collingwood Line. The *Buckeye State* is one of the finest steamers on the lakes and is a great addition to the line, now composed of this boat, with the *Keystone State, Niagara* and *Queen City,* and leaving here tri-weekly for Collingwood.

THE COLLINGWOOD ROUTE.—This route grows in favor as the season advances. The *Keystone State,* which left here yesterday morning, carried down a very fine load of passengers. The *Niagara,* the next of the line, will leave here to-morrow (Friday) morning. The Agent of the line, Mr. L. D. JEROME, may be found at his office on Huron Street, two doors east of Main, and will give prompt and courteous attention to all who may call upon him.

BOOK-BINDING—STATIONERY.—Our old friends, H. NIEDECKEN & CO., have removed their store from the Post Office block, Market Square, to No. 219 East Water Street, Kneeland's Block, where they have secured increased space and superior accommodations for their growing business. Their establishment is a very large one; they keep on hand an excellent stock, and their book-binding cannot be excelled, if equalled, in the State. See their advertisement in this morning's paper.

NEWS OFFICE.—THOMAS BOYLE has just opened at 213, East Water-street, just above the N. Y. Central R. R. Office, a depot for the sale of daily and weekly papers from New York and other Eastern cities. He expects to receive, and will deliver to subscribers, the New York dailies in 40 hours from the press. Success to him!

FOR BUFFALO.—The first class new propeller *Potomac,* of the A. T. Co's line, and having capital accommodations for passengers, leaves the South Pier for Buffalo on Saturday morning. J. GRIFFIN is agent for passengers.

WILLIAM S. HOWARD.—ANN S. JUSTUS, residing at Rochester, New York, is very anxious to hear from her brother, William S. Howard, who is supposed to be in a sailing vessel somewhere about the Lakes.

DANCING ACADEMY.—Professor Munder, a master of the art, from Washington and Georgetown, D. C., proposes to open a Dancing Academy in this city, next week, and will give an introductory Soiree, at Concert Hall, to allow the public to judge of his capabilities.

THEATRE—THREE PIECES.—The Manager, with his accustomed pains to cater for the public entertainment, offers three excellent pieces to-night—"the Belles Stratagem," "Box and Cox," and "Why Dont she Marry." They will all three be well played.

PARODI COMING!—We are quite sure that our music-loving public will hail with satisfaction the announcement in our advertising columns that PARODI, PATTI and STRAKOSCH will give one of their attractive musical entertainments in our city about the middle of next week.

GREAT CHANCE FOR SPECULATION.—A rare opportunity is presented to men of means, in our advertising columns, to purchase a very fine tract of land in the western part of this State, including an abundant water-power and an extensive and valuable stone quarry. See advertisement of N. W. DEAN.

WELCOME RAIN.—A refreshing rain commenced falling last night and will be of great service to the gardens and crops. They need both moisture and heat, to make up for the season's backwardness.

FAT CATTLE.—We saw at COLE's Meat Market, West end of Spring St. Bridge, yesterday afternoon, two very large fat Beef Cattle. They were raised in Walworth County, weighed some 4500 lbs, and brought about $250.

☞ WALL has another sale of dry goods and carpets. He says in his advertisement that they are sold for a New York Insurance Company. Bargains are at hand.

C., has the honor to announce to the citizens of Milwaukee, that having a vacation in the above classes, he purposes giving instruction here for a short season, in the above beautiful accomplishment.—His style embraces every variety of fashionable dancing, such as introduced in the first class of all the large cities of this country and Europe. That all may judge of his ability as as an instructor, he will give a large introductory Soiree at Concert Hall on Thursday evening, June 5th 1856, at 8¼ o'clock, upon which occasion he will introduce his style of dancing. His little daughter, only 5 years old, will dance La Cachucha with the castanets, also, several of the fashionable Fancy Waltzes.

AUCTION SALE of valuable property in the Fifth Ward, on Virginia and Grove sts. On Tuesday morning, June 3d, at 10 o'clock, I will sell the following described property, located in best and most fashionable and beautiful streets in the Fifth Ward: 1 lot, 35 feet front, 106 ft. deep, being part of Lots 11 and 12, in Block 24. 1 Lot, 35 ft. front, 100 ft. deep, being part of Lot 11, Block 24, 1 Lot, 35 ft. front, 100 ft. deep, being part of Lots 10 and 11, Block 24. 1 Lot 40 ft. front, being part of Lots 10, 11, 12, Block 24, being 140 ft. deep. All of said lots are on Virginia and Grove streets, being the most valuable and desirable property in the Fifth Ward. There is no Ward which has undertaken to make more improvements than the Fifth Ward, and its location to the country and its scenery surpasses all other Wards. Milwaukee should have been located where the Fifth Ward now is, that any one can see. But it makes no difference; it is rapidly and densely populating and large numbers of manufacturing establishments are now in operation.

The aforesaid lots will be sold at my Auction Room on the following terms: ¼ cash, balance in 1, 2 or 3 years, with 8 per cent. interest. CALEB WALL,

may18 Land Agent and Auctioneer.

City Land Office.

TWO HUNDRED desirable and valuable Lots to be sold in the First Ward, City of Milwaukee. On Wednesday morning, June 18, at 10 o'clock, I will sell to the highest bidder, on the easiest terms property has ever been sold, all of that desirable plat of Murray's Addition, containing two hundred beautiful lots. The said Addition joins on the Lockwood and Glidden's Addition, and joins also the city property which is to be appropriated for a City Park. The lots are all very beautiful, high, and covered over with elm and maple groves; they are one mile this side the Light House. The Plank Avenues are to run through them, in fact it is the most desirable property to make investments in of any property that I have ever sold. The lots are of a good size, forty feet front, one hundred and twenty feet deep, with alley's in the rear. You must all agree with me when I say that the First Ward has the pre eminence over all other wards for beautiful and private residences. The lots in Murray's Addition will command as high price in five years as lots do now in Astor, Marshall, Cass and Van Buren streets. There is no reason why they should not; our city is bound to go ahead, she is bound to have a population of one hundred and fifty thousand inhabitants, and the modern style of houses which are now going up in Lockwood & Glidden's Addition, with the various Parks around, certainly must make lots in Murray's Addition desirable and valuable. At all events there is no great risk to run. The terms of sale are very easy. The lots will sell low, affording an opportunity to all classes to secure them a home, and when once a home is obtained it never can be taken away, no matter what misfortunes may occur; for our laws are made to protect the widows and orphans, and the unfortunate.—Terms of sale will be one fifth down, balance in 1, 2, 3 and 4 years with 7 per cent interest. The best title in the world. Mr. Murray gets it from Government. I will have one thousand Lithographic maps of said Addition in a few days, which I will give to all who wish one, if they will call at my store

ARRIVAL OF THE

AFRICA!

Breadstuffs Unchanged! Corn Lower!

CONSOLS HIGHER!

SANDY HOOK, May 28.

The *Africa* has arrived with Liverpool dates to the 17th. News unimportant. Holidays had interfered with business. Parliament not in session.

MARKETS.—Cotton unchanged—sales of week 38,000 bales. Breadstuffs unchanged, tho' somewhat easier. Some circulars quote corn 1s lower. Money market unchanged. Consols 93¼@93⅜. Weather more genial.

Central American affairs caused no excitement in England. An English Government journal explains sale of rifles to Costa Rica, by saying that Great Britain has plenty of old arms to sell and will be glad to find other customers besides Costa Ricans.

Crimean Board of Inquiry has nearly concluded its sittings.

Pension of 500 pounds granted to Lord Dalhousie for services in India.

Great outcry against Lord Palmerston for having military bands playing in the Parks Sundays.

The Empress Eugenia has appeared in public for the first time since her confinement.

The Austrian, Prussian and Sardinian Chambers had passed resolutions of concurrence in the Peace.

The Crimean correspondent of the London *Times* puts down loss (Russia?) at Sebastopol at 36,000, and says that 100,000 died of disease and exposure. They could not have sustained themselves much longer, had peace not been declared.

Washington News.

WASHINGTON, May 29.

Mr. CRAMPTON was this morning officially notified of his dismissal and furnished with his passports, The British Consuls at N. Y., Philadelphia and Cincinnati also.

The President will send in Message and Documents on these matters and Central American affairs to-morrow.

The President, it is said, is willing to arbitrate about any question of political geography, arising under the Treaty, but not as to construction of Treaty.

Mr. Sumner Dangerously Ill!

NEW YORK, May 28, 1856.

The Correspondent of the Evening *Post* says that Mr. SUMNER is dangerously ill and confined to his bed with high fever, and inflammation of his wounds. He is unable to sleep. No visitors admitted. Another letter-writer says that his case has taken an unfavorable turn, and physicians are holding consultations.

A public meeting is to be held at the Tabernacle to express the indignation felt at the late brutal outrage in Washington.

THREE P. M. REPORT.

The Mormons preparing a State Constitution.

ST. LOUIS, May 27.

The Salt Lake mails have arrived, bringing dates only to the 26th of March. A convention to form a State Constitution met at the Council House on the 17th, and organized by electing Hon. J. M. Grant, President.

The Deseret *News* of the 26th, says:—Various Committees were appointed to draft constitution, had conference on the 24th, and unanimously reported constitution for State of Deseret. Chief Justice Kinney dissenting on only one point, viz:—he preferring to have Judge of Supreme Court elected by the people rather than by the General Assembly.

Later from Kansas!—Pillaging of the Settlers.

ST. LOUIS, May 28.

The *Republican* and *Democrat* are full of Kansas letters, to-day from which the following additional items relative to the attack on Lawrence are taken. *Democrat's* correspondent says:—Stores and dwellings were indiscriminately broken open and robbed.

One man named Johnson, had $2000 in drafts checks and Land Warrants taken from him.—Col. Topliffe, appointed Col. of Militia by Shannon last fall, was forcibly dispossessed of his commission. His private papers, watch and money to the amount of $800 was taken; his trunk also was broken open and his clothes were carried off.

House and Library belonging to Brown editor of the Herald was set on fire twice, but was extinguished by the citizens.

The (pro-slavery) *Republican* learns through information given by Col. Brewerton, that on 23d, 200 free State men had collected at Lawrence. The garrison at Franklin was gone, and the town probably attacked by free State men on the night of the 22d. It is understood that Shannon will order 100 U. S. troops to be stationed at Asawtonic, 100 at Lawrence and 100 at Topeka. At Asawtonic, Judge Cato, of the District Court, has been prevented from holding Court, by threats of violence to the grand jury from free State men of Leavenworth.

Senate Report on the Assault on Sumner Case—Can't find any Precedent.

WASHINGTON, May 28.

SENATE.—Mr. Pierce from the select committee to investigate the facts attending the recent assault on Mr. Sumner, submitted a written report—states that the proceedings are only to be found in the action of the House of Representatives, the Senate never having been called upon to take action in such a case before.

NEW YORK, May 28.

Our papers contain the official protests of Mr. Marcoleta against the recognition of the Government of Nicaragua—it is dated the 17th inst.—He says he is wholly unable to discover the important and weighty reasons which induced the United States Government to abandon its former position in opposition to the recognition, which he calls a most fragrant violation of divine and human laws, and an encouragement and sure guarantee of fillibusterism. He has sent similar protests to all the diplomatic circles.

Montpelier, Vt., May 28.

The Vermont American State Convention held its annual session here yesterday. Proceedings harmonious. R. Fletcher was nominated for Governor, and Jas. M. Hale for Lieut. MISCELLANEOUS.

W. LAIDLAW'S LAND AGENCY.

Office 230 East Water st., 2 doors south of Walker House.

$1000 WILL BE DOUBLED in one year by making an investment of this amount in Real Estate, the particulars of which I will give on application.

"PRO BONO PUBLICO."

W. LAIDLAW'S LAND AGENCY, office 230 East Water Street, 2 doors south of Walker House. I beg to return thanks to the public for the liberal patronage bestowed upon me during the time I have been engaged in the real estate business, and I do so with all the more pleasure on account of having received the most striking proofs of the manner in which my services are appreciated. Those who have patronized me know well, and will cheerfully testify to, the advantages which I offer. My principles are straight-forward, honorable and honest. I never require any one leaving the sale of property in my hands, to sign any written obligation of whatever nature or kind soever, binding him to pay a commission anyhow, but adopt the principle of "*No sale no charge.*" The great increase of business has compelled me to enlarge my office, which, now being finished, is the most convenient and desirable in the city, and as the list of property I offer for sale is second to none, I would strongly recommend those who wish to be well served to make my office their head quarters. I have prepared a new map of the city, which exhibits at one glance, and in striking colors, all the best and most desirable property offered for sale. may17

The Greatest Chance Yet!

HEAVY TIMBER LANDS AND WATER POWER for sale or exchange for city property. Any man who has energy enough to undertake the management of a money making business, will here meet with an opportunity but rarely offered. I will sell 360 acres of heavy timber land 30 miles from this city, on the La Crosse Railroad, and near a Depot. There is a river running through the land with a fall of 18 feet, which if improved will constitute a water power of the very best description. The dam can be built at a very small cost.—The timber is all hard, and whoever undertakes to erect a saw mill on this property, to furnish hard lumber for this market, by availing himself said Railroad to haul it into the city, will secure to himself in a couple of years an independency. Lumber is a cash article, the demand is far exceeding the supply, and is increasing daily. I will sell this land at a bargain, or exchange for city property.

Famous Chance for a New Comer or an Old Settler!

VALUABLE FARM AND WATER POWER for sale. I will sell one of the best farms in the State, with a moderate cash payment, and on easy terms, or exchange same for city property.

Said farm is situated 20 miles from Milwaukee, on a Plank Road, and 3 miles from a depot on the Milwaukee and Mississippi Railroad, and comprises 360 acres, of which 259 acres are fenced, improved, and partly cropped. There are on said farm one frame house, one log house, one large frame barn and any number of sheds, &c., a fine orchard, beautiful springs and a running stream with a considerable fall, the dam is built and a large portion of timber collected on the spot for the erection of a mill, which in that neighbhorhood would prove a largely paying investment. The property is owned jointly by two parties who are desirous of dividing and settling up their joint interests, and for this reason offers a rare chance for an enterprising man to make a good strike.

At Home.

BY BAYARD TAYLOR

The rain is sobbing in the wold,
The house is dark, the hearth is cold
And stretching drear and ashy gray
Beyond the cedars, lies the bay

My neighbor at the window stands,
His youngest baby in his hands,
The other seeks his tender kiss
And one sweet woman crowns his bliss

I look upon the rainy wild
I have no wife, I have no child
There is no fire upon the hearth
And none to love me on the earth

Twenty five years ago, when all the ladies wore [illegible] straw bonnets, a wag of a poet [illegible] the following lines

Sometimes [illegible] appear like [illegible]
Who now of three [illegible] dare complain
When every female forehead teems with grain
See how the wheat [illegible] amid the plaits
Our barns are now transferred to dames' [illegible]
And thus [illegible] in active lives
To fill their granaries may thrash their wives

In the famous war of roses between the houses of York and Lancaster, York was represented by the white rose and Lancaster by the red rose. The following epigram is attributed to a royal [illegible] of the house of York, which he presented to his mistress who was attached to that of Lancaster. The [illegible] is of course modernized

"If this fair rose offend thy sight,
Placed on thy bosom bare,
'Twill blush to find itself less white
And turn Lancastrian there
But if thy ruby lip it spy,
And kiss it thou shouldst deign,
With envy pale 'twill lose its dye
And Yorkist turn again"

Singular Incident.—Some time ago an English man of war touched at a foreign port, and the Admiral was invited on shore to dine with an old friend, at whose table sat an American lady with her two grown up daughters. The entertainment was passing very pleasantly when Admiral —said "speaking of coincidences, I have lately come across an American paper containing the account of a very singular murder case, perhaps these ladies know something about it, as it occurred in Boston. The murderer was Prof —— hump! I forget the name now"

The Admiral was about to proceed, when the American ladies got up in the greatest consternation and hurried from the room, leaving the distinguished guest rather chagrined, and at a loss to account for their conduct. Though painful to the hospitable host, he felt it his duty to explain very briefly the cause, and the simple recital brought tears from the old Admiral, as the unwitting cause of carrying sorrow to any one.—The subject was too delicate for an explanation, and grieved beyond measure, he bade a hasty adieu to his old friend, and in an hour more his frigate was dashing from the port with all sails spread. It is only necessary for us to say that Fayal was the port, and the American ladies the wife and daughters of Prof Webster. It is indeed true that the sins of the parent shall be visited upon the children.—*Charleston Advertiser.*
